As money became a commodity,
the money market became a
component of the financial
markets for assets involved in
short-term borrowing, lending,
buying and selling with original

Equity capital is raised in many
ways; the major types of equity
capital are unlisted equity, listed
equity and hybrids. Equity capital
market practices traditionally
advise on a full range of equity,
debt equity-linked, hybrid,
asset-backed, credit-linked and
derivative products that are
offered in capital markets. Wed,
